

04-June '23

To whom it may concern:

I am writing this letter to let you know, that my husband William and I (Joan Guerin), had the pleasure of hosting four (4) Polish I.T. Students, for four (4) weeks, between the dates of Sunday May 7th 2023, and June 2023.

1. MATEUZ DRAB
2. LUKASZ LADA
3. KRYSZTOF KONOPA
4. MIKOŁAJ DENLEKIA.

We have been hosting students, for a lot of years, and I would like to inform you, the relative personell, that it was an 'ABSOLUTE PLEASURE', and 100% Positive and fulfilling experience, to have hosted the 4 Above mentioned students in our home.

They immersed themselves in the Irish culture and home life from when they first arrived. They are a credit, and fantastic ambassadors to Poland, their Parents, and also the school that they represent.

These 4 boys were very helpfull, and mannerly throughout their stay. They were more than willing to help around the house. They were very polite, neat, and tidy, and very punctial, and is a testament, to the excellent upbringing and schooling they have had. Their level of English, both spoken, and comprehensiv is excellent.

Finally, I would like to say, that as a

host Family we really enjoyed our totally 'Positive Experience', in hosting the 4 boys, and both their Parents and School, should be very proud of them as individuals, for their behaviour, pleasantness, manners, and positive future outlook.

We wish the 4 boys all the very best luck, for their future, and it is clear, that whenever they gain employment, they will be a very positive addition to the company they join.

IF, at any time in the future, we could be of assistance, for example, writing a testimonial etc, in respect of the 4 boys, we would be more than happy to do so.

Yours faithfully

MRS Joan Querin
